MED-ED
Since 1983

A close-up photograph of a young Black woman with her hair in a bun, wearing blue medical scrubs and a stethoscope. She is smiling warmly and looking towards a patient whose back is partially visible on the right. The patient is wearing an orange garment. The background is bright and out of focus, suggesting a clinical setting.

In conjunction with

MED·ED
Since 1983

Accreditation

RN/LPN/LVN/Other: 15 Contact Hours

MED-ED, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

MED-ED, Inc. is an approved provider by the following State Boards of Nursing: **Florida**/FBN 50-126, **Iowa**/296, **California**/#CEP10453.

Speaker

Gina Panozzo, DNP, RN-PMH-BC, CNE

Dr. Panozzo has been a nurse since 2004. She received her DNP in executive leadership from Rush University, MSN in nursing administration from Aurora University and BSN from the University of St. Francis. She is board certified in psychiatric and mental health nursing and is a certified nurse educator.

Dr. Panozzo specializes in psychiatric nursing and has worked in residential, inpatient, home health and hospice settings. She also served as a quality and performance improvement director of a home health agency and assisted in the development of a hospice organization. Her experience in academic settings includes teaching psychiatric nursing rotations and numerous courses from the ADN to DNP levels, course development and revisions, and writing and updating standards for accreditation purposes.

She has researched and published with a focus on the schizophrenic population and therapeutic relationship development. She also provides consulting services to home health and hospice companies to improve their metrics and assist with policy writing and development, as well as the accreditation process, including on-site visits/surveys. In addition to speaking at numerous conferences and presenting posters at various events, she has provided didactic teaching in nurse residency programs

MED-ED reserves the right to substitute an equally qualified speaker if necessary.

Course Overview

This seminar is designed to provide the healthcare provider with a comprehensive review of Psychiatric-Mental Health Nursing Principles. The principle objectives of the course include enhancing professional nursing practice in Psychiatric-Mental Health Nursing as well as providing an outline for nurses preparing for the Psychiatric-Mental Health Nursing Exam. The course follows the outline and core curriculum recommended by the American Nurses Credentialing Center (ANCC). Case presentations will be presented to enhance critical-thinking skills and enhance knowledge of evidence-based practice in psychiatric settings.

Program Learning Outcomes

This program prepares the learner to:

- Pass the ANCC board examination.
