Speaker

Julie L. Bacon, MSN-HCSM, NE-BC, NPD-BC, CPN, CPEN, C-NPT

Julie Bacon has over 25 years' experience in emergency transport medicine. Her expertise is in pediatric and neonatal transport and critical care. She manages both a high acuity national/international transport team and transfer and dispatch center.

Ms. Bacon holds multiple clinical and leadership certifications. She currently serves on the Florida EMS for Children State Advisory Committee and Florida State EMS Strategic Planning Committee and is an invited participant representing neonatal/maternal and pediatric issues on multiple state committees.

In addition to clinical topics in pediatric/neonatal critical care and transport medicine, she also lectures nationally and internationally on all areas of teamwork and staff resource management.

MED-ED reserves the right to substitute an equally qualified speaker if necessary.*

Course Description and Program Learning Outcomes

This two-day seminar is for nurses who care for pediatric patients. This course serves as a review for the Certified Pediatric Nurse (CPN®) Exam. The CPN Exam is for the nurse who has pediatric practice experience and who demonstrates knowledge and abilities related to pediatric nursing beyond basic RN licensure.

Program Learning Outcomes

This program prepares the learner to:

- Describe the Certified Pediatric Nurse Exam, test plan and the practice requirements to sit for the exam.
- Construct a study plan for the exam based on understanding the blueprint and domains of practice covered.
- Identify common mistakes and pitfalls that are made during studying and testing for the exam.
- Recall the core components covered in the exam through didactic supplementation and test questions.
