Speaker

Sandra Lowery, BSN, RN, CRRN, CCM, CNLCP

Sandi is president of CCMI Associates, an independent case management firm. She has worked as an independent case manager, case management consultant and trainer for the past 26 years, working nationally for both payers and providers. She is on the editorial board of Professional Case Management and has served as an expert for legal cases alleging case manager malpractice. In 1995, she was the recipient of CMSA's Case Manager of the Year award. Sandi served on the CMSA Board for nine years and was the 2000-2001 President.

MED-ED reserves the right to substitute an equally qualified speaker if necessary.

Course Overview

This course is designed to provide the practicing case manager with information to assist him or her in preparing for the CCM Exam and can serve as a review for the ACM and ANCC certifications. The content is also appropriate for those who are seeking a basic course in case management practice.

The content of the course is based on feedback from course attendees as well as CCMC's list of content areas and is updated every 4 months.

The course includes:

- A 300-page course manual, covering the content of the course plus resources for further self-study
- Overview of the CCM process and exam
- Intensives in core concepts, public benefits and workers' compensation
- 130+ sample exam questions
- Self-assessment design

Program Learning Outcomes

This program prepares the learner to:

- Obtain knowledge of concepts related to case management practice in addition to the essential knowledge areas for case management practice as identified by the CCM Commission and national standards.
- Describe the process for the CCM credential.
- Gain insight and resources for any further self-study needs for the CCM Exam.
