## Course Overview

### Medical-Surgical Nursing Certification Exam Cram Webinar

**Sign-in begins at 7:30 am**

**Class 8:00 am to 4:30 pm**

The day includes a one-hour lunch break, as well as a morning and afternoon break of 15 minutes each. The order of lectures presented and break times may vary according to speaker preference.

This one-day course is designed to provide nurses with the tools, confidence and knowledge to successfully complete the Medical-Surgical Nursing Exam. This is a condensed version of the Two-Day Medical-Surgical Exam Review. The exam content outlines and blueprints from the ANCC and MSNCB were used to develop this program. Topics covered from the exam content outlines will include review of body systems, cardiac, pulmonary, gastrointestinal and diabetes. Pathophysiology of disease processes, including signs and symptoms and treatment modalities, will be presented. The nursing process and nursing practice roles in the management of patient care will be discussed through case scenarios and sample questions. Aspects of the practice domains will be addressed, and strategies for test-taking also will be covered.

#### Program Learning Outcomes

This program prepares the learner to:

- Report a change in practice and/or knowledge at a 97% rate.

## Speaker

**Missam "Sam" Merchant, MBA, BSN, RN, CENP, CCRN-K, PCCN, CV-BC, GERO-BC, MEDSURG-BC, NE-BC**

Missam Merchant is a hospital supervisor at University Health System in San Antonio, TX, responsible for the centralized operations team, bed planning and EPIC grand central clinical implementation. He is a healthcare executive with more than 12 years of progressive leadership experience in coordination of patient care, quality, efficiency improvement and managing clinical operations with fiscal responsibility. He has expertise in managing a diverse staff of healthcare professionals, demonstrating effectiveness in team building and managing medical staff relations, recruitment and employee engagement..
