

Interpreting Critical Rhythms and 12-Leads Webinar

Tuesday, March 14, 2023

Chicago, IL

Agenda

Interpreting Critical Rhythms and 12-Leads Webinar

Sign-in begins at 7:30 am.

Includes a one-hour lunch break, as well as a morning and afternoon break of 15 minutes each. The order of lectures presented and break times may vary according to speaker preference.

Tuesday, March 14 8:00 am to 4:30 pm

- The Normal 12-Lead
- Rapid Calculations of Electrical Axis
- Acute Coronary Syndromes
- Bundle Branch Blocks: Right vs. Left
- Wide-Complex Tachycardias
- Interpretation Practice and Q&A
- Dangerous Bradycardias
- Electrolytes at Panic Levels
- Supraventricular Tachycardias: When to Worry!
- Putting it All Together: Testing Your Interpretive Skills

Accreditation

RN/LPN/LVN/Other: 7 Contact Hours

MED-ED, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

MED-ED, Inc. is an approved provider by the following State Boards of Nursing: **Florida**/FBN 50-126, **Iowa**/296, **California**/#CEP10453.

If your profession is not listed, we suggest contacting your board to determine your continuing education requirements and ask about reciprocal approval. Many boards will approve this seminar based on the accreditation of the boards listed here.

Speaker

Alex Klacman, PhD(c), MSN/Ed., RN-BC, CCRN

Alex currently works as the system education specialist for critical care for the Texas Health Resources healthcare system and as educator for the critical care and cardiac services at Texas Health Presbyterian Hospital Dallas. She is an experienced critical care nurse, having practiced at the bedside for eight years prior to moving into her role as educator. She was the first person globally to lead the implementation of the American Heart Association's innovative Resuscitation Quality Improvement (RQI®) program. Her interests include best practices in resuscitation education and innovation, care of critically ill cardiology patients and basic/advanced ECG interpretation.

In her spare time, Alex is an adjunct faculty member for Western Governors University, teaching prelicensure nursing students in the simulation laboratory. She has been a presenter at multiple local, state and national conferences. She has been a reviewer for AACN's Essentials of Critical Care Orientation (ECCO) modules related to pulmonary and cardiac disorders. Currently, Alex is a doctoral candidate at the University of Texas at Arlington, where she is interested in studying CPR quality in obese patients in cardiac arrest. She has also been honored as one of the Great 100 Nurses of Dallas-Fort Worth and as a winner of the D Magazine Excellence in Nursing Award.

MED-ED reserves the right to substitute an equally qualified speaker if necessary.

Course Overview

Rapid and accurate interpretation of rhythms and 12-Leads during cardiac emergencies ensures optimal interventions, resulting in improved patient outcomes. This 1-day program will provide a concise and systematic approach to the interpretation of the ECG that includes instruction as to which leads are best suited to reveal important interpretive clues, along with descriptions of the subtle and not-so-subtle morphologic clues seen in potentially life-threatening conditions. Several electrocardiographic tracings and scenarios are presented throughout the day that will provide opportunities for interaction and practice.

Program Learning Outcomes

This program prepares the learner to:

- Outline a systematic approach to the analysis and interpretation of rhythms and 12-Leads.
- Correlate lead selections with specific electrocardiographic abnormalities.
- Accurately interpret selected ECG rhythms and 12-Leads.

Registration Information

Includes Electronic Program Manual and CE Certificate

Rush University Medical Center, Rush Oak Park Hospital, Rush Copley Medical Center and Rush System of Health Employees

\$100

Non-Employees

\$110

HOW TO REGISTER

MedEdSeminars.net

MED-ED: 1911 CHARLOTTE DR.
CHARLOTTE, NC 28203

800-763-3332

FAX: 704-333-5020

Cancellations received in writing up to 14 days prior to the seminar will receive a full refund. A 10% processing fee will be charged for refunds requested less than 14 days prior to the seminar. Cancellation fee will be waived for tuitions transferred to another seminar or if applied to Self-Study products. In the rare event that MED-ED must cancel, MED-ED's liability is limited to tuition.
