## Course Overview

The nurse executive-advanced and nurse executive board certification examinations are competency-based assessments to validate knowledge related to the art and science of nursing leadership. Nurse executives taking this course will learn about operational structures and processes that support nursing excellence, exemplary professional practice, transformational leadership, knowledge management and the development of new knowledge and innovations. This course will not only prepare the nurse executive for a successful examination, but will also enable them to be a stronger nurse leader within their organization.

### Eligibility

Who is eligible to take this exam? All requirements must be completed prior to application for the examination.

### Nurse Executive, Basic Exam

- Hold a current, active RN license in a state or territory of the United States or the professional, legally recognized equivalent in another country.
- Hold a baccalaureate or higher degree in nursing.
- Hold at least 2,000 hours of experience in a leadership, management or administrative role with a primary responsibility for the daily operations and outcomes of one (1) or more unit(s)/ departments within the last three years.
- Completed 30 hours of continuing education in nursing administration within the last three years. This requirement is waived if you have a master's degree in nursing administration.

### Nurse Executive, Advanced Exam
