## Speaker

### Heather Goodall, MSN, RNC-NIC, IBCLC

Heather has her MSN: Leadership in Health Care Systems with a certificate in healthcare education. She is certified in neonatal intensive care and as a lactation consultant. She is also active as an NRP regional trainer and S.T.A.B.L.E. lead instructor. She is currently a NICU clinical educator.

Heather has presented at local, regional and national conferences, as well as by request at various hospitals. Her educational expertise is in neonatal, newborns, lactation, staff development/mentoring and lateral violence. Center.

*For complete biography, please visit [MedEdSeminars.net](http://MedEdSeminars.net)  
MED-ED reserves the right to substitute an equally qualified speaker if necessary.*

## Course Description and Program Learning Outcomes

This course is designed to supplement study materials for the NCC certification exam to obtain the RNC-NIC designation and the AACN certification exam to obtain the CCRN-neonatal designation. The course will focus on core concepts that are essential for caring for high-risk newborns. Preparation is recommended prior to participation in this course.

### Program Learning Outcomes

*This program prepares the learner to:*

- Review the core components covered by the exam through test questions and lecture review.
- Review requirements for the exam and recertification.

## Accreditation

### RN/LPN/LVN: 13.5 Contact Hours

MED-ED, Inc. is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

MED-ED, Inc. is an approved provider by the following State Boards of Nursing: **Florida**/FBN 50-1286, **Iowa**/296, **California** #CEP10453.

## Registration Information

**Tuition** Includes Program Manual, Lunch and CE Certificate
