Speaker

Cammy Christie, MSN, APRN, CCRN, CMC, CSC, PCCN

Cammy is an internationally known speaker with over 45 years of critical care experience. She has taught the CCRN® Exam Review as well as critical care updates with an emphasis on the critical thinking skills of the bedside practitioner. In addition to lecturing across the globe, Cammy is a reviewer for several revered nursing journals, has numerous publications in the area of critical care and continues to have an active practice as an acute care nurse practitioner at the University of Florida, Division of Critical Care Medicine, Cardiothoracic Surgery. As a critical care nurse practitioner, Cammy brings many clinical practice skills to her lectures as well as providing clinical pearls for bedside care.

MED-ED reserves the right to substitute an equally qualified speaker if necessary.

Course Overview

This two-day CCRN/PCCN Review is designed for the critical care or progressive care nurse preparing to take either exam from the American Association of Critical-Care Nurses (AACN). The review focuses on anatomy, physiology, pathophysiology and disease management according to the AACN test guide for each exam. Each system review will be followed with sample test questions along with test-taking strategies.

Program Learning Outcomes

This program prepares the learner to:

- Demonstrate the knowledge and confidence to successfully pass the CCRN or PCCN Certification Exam.
- Deduce significant assessments, diagnostic findings, clinical presentations and management strategies of critical care and progressive care patients.
- Solve and evaluate critical-care exam questions
