## Accreditation

14.5 Contact Hours - 2 Days Attendance

21.5 Contact Hours - 3 Days Attendance

MED-ED, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

MED-ED, Inc. is an approved provider by the following State Boards of Nursing: Florida/FBN 50-126, Iowa/296, California/#CEP10453.

## Speaker

### Terry Lynch, MSN-Ed, RN, NPD-BC, CCRN, PCCN

Terry has nearly 30 years of experience in caring for the critically ill patient in various specialty areas that include cardiovascular medicine and surgery, neuro, pulmonary, renal and trauma care. In addition to teaching the CCRN Certification review course, he has provided continuing education classes on several topics that include 12-Lead interpretation, ABGs and ventilators, radiographic interpretation essentials, hemodynamics, Rapid Response teams, neurological and neurosurgical care. Terry is a member of the American Association of Critical-Care Nurses (AACN) and the Association of Nursing Professional Development (ANPD). He is able to make the most difficult concepts easy to understand by the beginner as well as the advanced practitioner and is best known as a master clinician and dynamic speaker who uses humor and real-life situations to give his topics meaning and depth.

*MED-ED reserves the right to substitute an equally qualified speaker if necessary.*

## Course Overview

This three-day course is designed to provide critical care and progressive care nurses a review of AACN's core curriculum. The course combines central knowledge-based lectures so that nurses working in the PCU and ICU arenas will have a review of AACN's certification blueprint. The first day will provide the critical care provider with an essential review of nursing care and interventions designed for the ICU setting. The second day of this lecture series will combine both the critical care and the progressive care areas. Information essential to each will be presented in a combined method still complying with AACN's certification blueprint. The third day will be specifically for the progressive care provider and complete AACN's blueprint for system review. This review is not an introduction to the environment of the ICU or PCU, but a comprehensive update for the professional already in practice at the bedside and preparing for either or both of the certification examinations.

### Program Learning Outcomes

*This program prepares the learner to:*

- Discuss and practice test-taking skills.
- Review critical anatomy, physiology and pathophysiology of each system.
- Discuss significant assessment and diagnostic findings relevant to the critical and/or progressive care environment.
- Discuss clinical presentation as well as specific patient management of commonly seen critical care conditions.

## Registration Information

**Tuition** Includes Electronic Program Manual and CE Certificate

**Sutter Memorial Medical Center (SMMC) or Memorial Hospital Los Banos (MHLB)**  
Complimentary for all days

**Sutter Health Employees (excluding SMMC and MHLB)**
