Speaker

Patricia A. Scott, DNP, APN, NNP-BC, C-NPT

Patti is the coordinator of the advanced practitioner group for Pediatrix Medical Group in Nashville, TN, as well as the coordinator of the neonatal transport service at Centennial Medical Center, also in Nashville. She is an assistant professor of nursing at Vanderbilt University School of Nursing, teaching the Neonatal Nurse Practitioner and Doctor Nursing Practice courses. She is also a preceptor for NNP students in the clinical area.

*For complete biography, please visit MedEdSeminars.net
MED-ED reserves the right to substitute an equally qualified speaker if necessary.*

Course Overview

This course is designed to supplement study materials for the NCC certification exam to obtain the RNC-NIC designation and the AACN certification exam to obtain the CCRN-neonatal designation. The course will focus on core concepts that are essential for caring for high-risk newborns. Preparation is recommended prior to participation in this course.

Program Learning Outcomes

This program prepares the learner to:

- Review the core components covered by the exam through test questions and lecture review.
- Review requirements for the exam and recertification.

Accreditation

RN/LPN/LVN/Other: 13.5 Contact Hours

MED-ED, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).
