Speaker

Julie L. Bacon, MSN-HCSM, RN, RNC-LRN, NE-BC, CPN, CPEN, C-NPT, RN-BC

Julie Bacon has over 25 years' experience in emergency transport medicine, both flight and ground. Her expertise is in the area of pediatric and neonatal transport and critical care. As program manager and chief flight nurse at Johns Hopkins All Children's Hospital LifeLine in St. Petersburg, FL, she manages both a high acuity national/international transport team as well as the transfer and dispatch center.

Ms. Bacon holds multiple clinical and leadership certifications. She is an active participant in state disaster planning and management, and as a former hospital emergency management director, is a resource and instructor for hospital emergency preparation for disaster and terrorism. She currently serves as the clinical chair for the Florida EMS for Children State Advisory Committee, vice chair of the Florida State EMS Strategic Planning Committee and is an invited participant representing neonatal/maternal and pediatric issues on multiple state committees.

MED-ED reserves the right to substitute an equally qualified speaker if necessary.*

Course Overview

The Nursing Professional Development Exam Cram will provide the learner with the foundational review materials required to take and pass the certification test. The class describes the template of the NPD professional and covers core materials, such as education, adult learning and change theory, legal considerations and methodology.

Who is eligible to take this exam? All requirements must be completed prior to application for the examination.

Program Learning Outcomes

This program prepares the learner to:

- Possess familiarity with foundational concepts of the NPD role, including, but not limited to, knowledge of education and adult learning theory, change theory, legal considerations and methodology.
