

## Speaker

**Heather Goodall, MSN, RNC-NICU,  
IBCLC**

Heather has spent all but two years of her nursing experience in neonatal intensive care. She earned her BSN from Colorado Mesa University and her MSN in Leadership in Health Care Systems with a certificate in healthcare education from Regis University. Heather is certified in neonatal intensive care and as a lactation consultant. She is also an active NRP regional trainer and S.T.A.B.L.E. lead instructor. She is currently a NICU clinical educator at a large, tertiary children's hospital.

## Course Overview

This course is designed to supplement study materials for the NCC certification exam to obtain the RNC-NIC designation and the AACN certification exam to obtain the CCRN-neonatal designation. The course will focus on core concepts that are essential for caring for high-risk newborns. Preparation is recommended prior to participation in this course.

**This program prepares the learner to:**

- Review the core components covered by the exam through test questions and lecture review
- Review requirements for the exam and recertification
