Speaker

Meg Suermondt, BSN, RN, CCRN, CPAN, CAPA

Meg has spent nearly 30 years as a nurse for adult and pediatric patients in emergency departments, critical care units and perianesthesia care units. A veteran of both bedside nursing and management, she now practices as a traveling nurse. Meg has held eleven state and territorial RN licenses, and has worked in PACUs, ICUs and ERs across the nation from Alaska to the U.S. Virgin Islands. Meg holds dear a passion for learning, teaching, sharing and promoting the patient-nurse experience. An advocate of professional growth, information networking and credentialing, she is a member of AACN, ENA and ASPAN™.

MED-ED reserves the right to substitute an equally qualified speaker if necessary.

Course Overview

This course is designed for nurses working in the perianesthesia setting who plan to take the CPAN/CAPA Exam. The course will focus on core concepts defined by ASPAN™ for caring for all populations.

Program Learning Outcomes

This program prepares the learner to:

- Describe the CPAN/CAPA Exam, test plan and the practice requirements to sit for the exam.
- Construct a study plan for the exam based on understanding the blueprint and domains of practice covered.
- Identify common mistakes and pitfalls that are made during studying and testing for the exam.
- Recall the core components covered in the exam through didactic supplementation and test questions.
